

REMARKS

Applicants note that SEQ ID Nos: 1-67 were not submitted upon filing however those sequences were disclosed in the parent application US 09/118,627 filed July 17, 1998 and are not considered new matter. Please find enclosed an electronic and paper copy of the Sequence Listing that include no new material that goes beyond the application as originally filed. Applicant respectfully submits that the above-identified application is now in conformance with 37 C.F.R. §§ 1.821-1.825 and WIPO Standard 25.

Respectfully submitted,  
Seed Intellectual Property Law Group PLLC
